## DIY PRIDE.

There's a great sense of pride that DIYers have about their painting projects. Whether it's the whole house exterior or a few bedrooms, tools that make the process easier and more efficient are highly valued. A strong brand and innovation are also important.

That's where Wagner sprayers, rollers and prep tools come in. They help tackle any painting project and deliver a professional finish faster than manual tools.

## THE REVOLUTIONARY FLEXiO® SPRAYERS.

Wagner's most versatile DIY sprayers offer a consistent finish on a wide range of exterior and interior painting projects. Powered with X-Boost® turbines, FLEXiO sprayers deliver the power to spray most paints and stains right from the can.

With adjustable settings to match project needs, these sprayers allow DIYers to quickly and easily tackle countless projects such as painting or staining fences, interior walls, cabinets, furniture and more!

**10X** FASTER  
THAN A BRUSH\*

## FLEXiO® 595

Variable Speed  
Handheld Sprayer

DIB # 770800

The FLEXiO 595 applies coatings 10X faster than a brush<sup>1</sup>, offering a smooth, consistent finish on a wide range of interior and exterior projects such as interior walls, fences, decks, kitchen cabinets, furniture and more. The sprayer features a compact, lightweight design that greatly reduces user fatigue and makes it easier to handle when spraying.

The X-Boost® turbine delivers the power to spray unthinned paints and stains right from the can. It also features multiple adjustable settings to suit your project needs.

6

## Features

- **10X faster** than a brush<sup>1</sup>
- **Cup Sizes:** 1½ Quart cup (iSpray nozzle) that covers a 10' x 12' wall with one fill and a 20 fluid oz. cup (Detail Finish nozzle)
- Ideal for exterior surfaces, interior walls and fine finishing
- Sprays unthinned interior and exterior latex or oil-based paints, stains and urethanes
- Includes two spray nozzles: **iSpray®** nozzle for broad surfaces—creates light texture finish; **Detail Finish** nozzle for small projects and end fine finishing—creates smooth finish
- **X-Boost** power dial has 9 settings for various coatings and more precise control
- **Lock-n-Go®** split gun design for quick nozzle change and easy cleanup
- **Pattern adjustment ring** for horizontal and vertical spray patterns and **spray width lever** for wide and narrow patterns (iSpray nozzle)
- Covers an 8' x 10' surface in minutes<sup>2</sup>  
Stain: 1 minute, Latex: 5 minutes
- Includes sturdy carrying case for easy storage

<sup>1</sup> Results may vary depending on coating, surface and experience.

<sup>2</sup> Depends on material. Based on latex viscosity of 27 dPa-S and 3.8 mil thickness.

7

**8X** FASTER  
THAN A BRUSH<sup>1</sup>

## FLEXiO® 575 2-Speed Handheld Sprayer

DIB # 783637

The FLEXiO 575 paint sprayer applies coatings 8X faster than a brush<sup>1</sup>, offering a smooth, consistent finish on a wide range of interior and exterior painting projects such as interior walls, ceilings, fences, decks, sheds and more. The sprayer features a compact, lightweight design that greatly reduces user fatigue and makes it easier to handle when spraying.

The X-Boost<sup>®</sup> turbine delivers the power to spray unthinned paints and stains right from the can. It also features multiple adjustable settings to suit your project needs.

## Features

- **8X faster** than a brush<sup>1</sup>
- **Cup Size:** 1½ Quart cup (iSpray nozzle) that covers a 10' x 12' wall with one fill
- Ideal for exterior surfaces and interior walls
- Sprays unthinned interior and exterior latex or oil-based paints, stains and urethanes
- Includes **iSpray** nozzle for broad surfaces, creates light texture finish
- **X-Boost power dial** has 2 settings to easily select between thin and thick materials
- **Lock-n-Go<sup>®</sup>** system for fast color change and easy cleanup
- **Pattern adjustment ring** for horizontal and vertical spray patterns and **spray width lever** for wide and narrow patterns (iSpray nozzle)
- Covers an 8' x 10' surface in minutes<sup>2</sup>  
Stain: 2 minutes, Latex: 6 minutes

**Accessories** (Drop Ship Only)  
**Detail Finish Nozzle** (0529013)  
**iSpray Nozzle** (0520006)

<sup>1</sup> Results may vary depending on coating, surface and experience.

<sup>2</sup> Depends on material. Based on latex viscosity of 27 dPa-S and 3.8 mil thickness.

**12X FASTER**  
THAN A BRUSH<sup>1</sup>

## FLEXiO® 4000

Portable Spray System for Painting and Fine Finishing

0529090

Drop Ship Only

### Features

- Covers an 8' x 10' surface in minutes;

## STAIN PROJECTS

Getting the deck or patio ready for entertaining can be a fun project with Wagner tools. You can make dramatic changes to your house, fences or shed with stain leaving you with plenty of time to enjoy the outdoors.

## Control Spray® Xtra Duty

HVLP Sprayer for  
Medium Projects

DIB # 776536

### Features

- Stains an 8' x 8' area in less than 1 minute
- Ideal for medium sized staining projects
- **5X faster** than a brush<sup>1</sup> to get projects done quickly
- Sprays transparent, semi-transparent and solid stain as well as water-based lacquer
- Applies a consistent stain coverage with less work than a brush with no brush marks
- Adjust spray pattern to horizontal or vertical
- Adjustable flow and pattern settings to suit project and coating needs
- Easy to clean to have ready for next time

## Control Spray Double Duty

HVLP Sprayer for Small  
to Medium Projects

DIB # 771875

### Features

- Stains an 8' x 8' area in less than 2 minutes
- Ideal for small to medium staining projects
- For use with light bodied stain materials
- Applies a consistent stain coverage with less work than a brush with no brush marks
- Three spray patterns (horizontal, vertical and round) to provide greater project flexibility
- Adjustable stain flow for different project and coating needs
- Few removable parts allows for quick and easy clean up

Filter sold separately.

## Control Spray Lite Duty

HVLP Sprayer for  
Small Projects

DIB # 798614

### Features

- Great for beginners who want a better finish on their projects
- Ideal for small to medium sized projects such as décor, crafts and furniture
- Applies a consistent stain coverage with less work than a brush with no brush marks
- Adjustable flow control and spray pattern (horizontal, vertical and round)
- Lightweight and easy to handle
- Simple to clean with soapy water or mineral spirits

## Small Portable Spray Shelter

For Small to  
Medium Projects

DIB # 772599

### Features

- **Dimensions:** 35" x 30" x 39" (W x D x H)
- Portable, lightweight pop-up shelter is easy to position on a tabletop, floor or workbench
- Perfect for a variety of DIY and crafting projects including: spraying lamps, wood crates and home décor
- Can be used with both paint sprayers and aerosol cans
- Built-in bottom and rear vent to help control overspray and regulate airflow
- Includes handy storage bag

<sup>1</sup> Results may vary depending on coating, surface and experience.

# HIGH EFFICIENCY AIRLESS SPRAYERS

Our line of High Efficiency Airless™ sprayers make it easier to paint like a pro. We've taken the intimidation out of airless spraying. HEA™ technology offers a softer spray pattern – improving control for a more consistent finish.

They're perfect for that contractor new to spraying or the semi-professional ready to take the next step. HEA systems can be used for a wide range of coating materials, including interior and exterior jobs, and can easily be transported from job site to job site.

**HEA** | HIGH EFFICIENCY AIRLESS

Makes it easier to paint like a pro.™

UP TO  
**55%**  
LESS OVERSPRAY<sup>1</sup>

HIGH EFFICIENCY AIRLESS

<sup>1</sup>Testing performed using a popular interior latex paint vs. competitive high pressure airless system.

Paint Sprayer

DIB # 771850

### Features

- Gallons per Minute: 0.29 (1.10 LPM)<sup>1</sup>
- Max Tip Size: 0.015"
- Max Operating Pressure: 1600 psi (11.0 MPa)
- Horsepower: 0.55
- Durable lightweight frame
- Power to spray unthinned paints
- Includes Control Pro HEA spray gun and 25-foot hose
- Spray up to 175 gallons/year

<sup>1</sup> Flow rate represents maximum continuous output. This may vary based on sprayed material, temperature and wear of sprayer.

## ControlMax™ 1650 18V

Mobile Spray System

DIB # 783514 **NEW!**

### Features

- Gallons per Minute: 0.24 (0.91 LPM)<sup>1</sup>
- Max Tip Size: 0.015"
- Max Operating Pressure: 1600 psi (11.0 MPa)
- Horsepower: 0.52
- Includes 515 HEA tip, two 18V 2.0Ah AmpShare™ Powered by Bosch® batteries, charger, T2 HEA spray gun and 9-foot hose

**NEW**

## ControlMax 1700

High Efficiency Airless  
Paint Sprayer

DIB # 771852

### Features

- Gallons per Minute: 0.33 (1.25 LPM)<sup>1</sup>
- Max Tip Size: 0.017"
- Max Operating Pressure: 1600 psi (11.0 MPa)
- Horsepower: 0.60
- Durable metal stand
- Power to spray unthinned paints
- Includes ControlMax Pro HEA spray gun and 30-foot hose
- Spray up to 300 gallons/year

## ControlMax 1900 Pro

Paint Sprayer

DIB # 771853

### Features

- Gallons per Minute: 0.40 (1.50 LPM)<sup>1</sup>
- Max Tip Size: 0.019"
- Max Operating Pressure: 1600 psi (11.0 MPa)
- Horsepower: 0.70
- Durable metal cart
- Power to spray unthinned paints
- Includes ControlMax Pro HEA spray gun and 50-foot hose
- Spray up to 500 gallons/year

**HIGH EFFICIENCY AIRLESS**

## THE ROLLERS WITH A BUILT-IN PAINT TRAY.

**NO MESS. NO TRAY.  
PAINT IN THE HANDLE.**

Wagner rollers draw paint directly from the can, and then applies a high-quality finish without drips or spatters. They're twice as fast as old-fashioned rollers and brushes. It's simply a smarter way to paint.

## PowerFlow™ EZ-Roller®

**Multi-Room  
Powered Roller for  
Continuous Painting**

2461319  
Drop Ship Only

The PowerFlow EZ-Roller is ideal for large or multi-room projects. Wagner's innovative direct-feed roller system pulls paint directly from a 1 to 5 gallon container. The roller is continuously fed with paint for non-stop, drip-free painting. Comes complete with one 9" roller cover with a 3/8" nap.

Paint can not included.

Extension pole  
not included.

## Features

- **2X faster** than a manual roller<sup>1</sup>
- **Direct-feed** from 1 to 5 gallon paint containers
- Includes one 9" x 3/8" roller cover
- **16-foot hose** for 400-square-foot work area
- Latex and oil-based paint compatible
- **Auto-Feed Control** on the handle for paint on demand
- Accepts standard extension poles to reach high walls and ceilings

## Accessories

- 9" x 3/8" Roller Cover (DIB # 770965)
- 9" x 3/4" Roller Cover (DIB # 770949)
- 3" Roller Cover (DIB # 770608)
- 5-Gallon Adapter (0284051) Drop Ship Only

<sup>1</sup> Results may vary depending on coating, surface and experience.

## PaintStick® EZ-Roller®

9" Wall and  
Ceiling Roller

DIB # 797085

### Features

- **Ratchet trigger** for controlled paint delivery
- Holds up to 22 oz. of paint directly in the handle, eliminating the need for roller trays
- **2X faster** than traditional paint rollers<sup>1</sup>
- Paint a 7' x 10' area with a single fill
- Extended reach reduces the need for ladders, step stools and extension poles
- For use with latex and oil based paints, including paint-and-primer in one

## SMART Edge Roller®

3" Roller  
with Trim Tool

DIB # 770603

### Features

- Applies sharp, clean edges around trim, windows, doorframes and more with the 3" paint roller cover and edging guide
- Holds 6 oz. of paint directly in the handle, eliminating the need for messy brushes and roller trays
- Covers up to 96 linear ft. in one fill to easily cut-in an entire room
- **Thumb trigger** allows for precise paint delivery and control of paint flow

## PowerTex®

All-In-One Powered  
Texture Sprayer

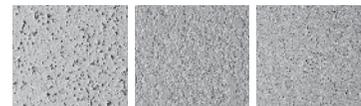

DIB # 776523

### Features

- **1-gallon adjustable hopper** can be configured for spraying without the use of adapters—spray walls or ceilings
- Powerful, integrated **air turbine** means no separate air compressor and long hoses
- **Comfort arm rest** gets the job done with less fatigue
- Includes 3 nozzles for popcorn, knockdown or orange peel texture finishes
- **3-point stand** allows for an easy, spill-free fill and refill
- **Lock-n-Go® Technology** for quick hopper removal and easy cleanup
- **Multi-position hopper** is capable of being adjusted for spraying on a ceiling or on a wall

Texture

<sup>1</sup> Results may vary depending on coating, surface and experience.

## REPAIR AND PREPARE

Wagner offers a variety of tools that greatly reduce the amount of time and effort to repair or prepare surfaces before painting.

From bending pipes or lifting scaled paint with the FURNO® heat guns, to grinding off chipped paint with the PaintEATER®, or removing wallpaper with a steamer, Wagner tools make your prep steps easier and your entire project look better.

## FURNO® 700

LCD Heat Gun

DIB # 773684

### Features

- 117 temperature settings ranging from 125°F to 1300°F to provide precise heat output
- Ideal for stripping paint, softening adhesives, thawing frozen pipes, bending PVC pipe and more
- Adjustable settings allow you to choose the right temperature and fan speed for a project
- Includes glass protector nozzle and flare nozzle
- Ceramic heating element provides durable, long-lasting use
- Complete projects hands-free by using the integrated stand

## FURNO 500

LED Heat Gun

DIB # 773559

### Features

- 12 temperature settings ranging from 150°F to 1200°F
- Ideal for stripping paint, softening adhesives, thawing frozen pipes, bending PVC pipe and more
- Adjustable settings allow you to choose the right temperature and fan speed for a project
- Complete projects hands-free by using the integrated stand
- Includes glass protector nozzle and flare nozzle

## FURNO 300

Heat Gun

DIB # 773468

### Features

- 2 temperature settings: 750°F on low and 1100°F on high
- Ideal for removing paint and flooring, bending plastic and thawing frozen pipes
- Complete projects hands-free by using the integrated stand

## PaintEATER®

One-Step  
Paint Remover

DIB # 780181

### Features

- Ideal for removing paint and paint chips without damaging the substrate
- For use on siding, trim, wood, concrete block, steel and masonry
- Optimum machine speed (2,600 RPM) for aggressive paint removal and operator control
- Flex-Disc™ system runs over uneven surfaces
- High performance 3M™ coating removal disc is not damaged by nails or screw heads and exhibits minimal clogging
- Retractable handle allows for two-handed operation and easy storage
- One-step coating removal and feathering saves project time

### Accessories

PaintEATER Disc (DIB # 780306)
